Mansfield, Ohio 44902

On or about October 13, 2021 I went through the Mountain Drive Thru @ 481 Springmill St., Mansfield, Ohio 44403 multiple times to purchase items as I do daily, going its around the corner from my residence. The female owner was offended that I always leave tips even though I leave tips with male staff because sometimes I may be short on purchase. Her friends ran out to my car as I went through paperwork in the parking lot and shouted, "Stop leaving tips because she's married!" I ignored them and the next purchase at the Mountain Drive-Thru I informed her that I honor marriage and that I always leave tips, every drive-thru that I go to. She stated that she understood, and to never mind her friends.

Before going to visit my children and grandmother I went to The Mountain Drive-Thru again but wedged against water being stacked in the drive-thru path. I immediately stepped and stated that if there is any damage I would re-imburse them. I exited the vehicle and noticed no damage so I attempted to exit and discuss the matter. The owner started in front of the parked car cursing and calling me names, while threatening to call the police. She then burst out my rear window, of the vehicle I was driving. Once the police arrived she had made false allegations while also violating my Constitutional and Statutory rights. They then continued to damage the vehicle, as the tow company arrived.

I received substantial losses, and have been incarcerated falsely.
